EPAC's goal is to give each individual the chance to understand the creativity and satisfaction of movement. By creating multiple paths for students, we will help shape well rounded performers and individuals. The welcoming atmosphere we provide will help children feel they can be themselves. We hope to create inspiration, memories, and lifelong lessons for your children. By creating hope, we find it is possible to "rise to your summit"!

HAPPENING NOW

--This week is our Halloween Celebration Week! Dancers are free to come dressed in their Halloween costumes all week long! We only ask that they are able to move in their costume, or take off and part of the costume that restricts movement.
