

EPAC's goal is to give each individual the chance to understand the creativity and satisfaction of movement. By creating multiple paths for students we will help shape well rounded performers and individuals. The welcoming atmosphere we provide will help children feel they can be themselves. We hope to create inspiration, memories, and life long lessons for your children. By creating hope, we find it is possible to "rise to your summit"!

Rise to your summit

## Recital Tickets On Sale Now!

Purchase tickets here-
